COMMENTS FROM THE TOWN MANAGER'S OFFICE

A short time ago a little brown female puppy was found near the town dump. Do you know any one losing such a pup? If so please call 69 or Dr. Greenleaf 112.

We recently mailed copies of the newly adopted Town Ordinances, if for some reason you failed to get a copy please let us know, as I think we have enough for all Bethel resident taxpayers.

Several town streets have recently been surfaced. I would like to suggest that it will save all taxpayers money if we all are a little cautious as to "spinning wheels," and sharp turns until the surface has plenty of time to thoroughly dry out.

Thank you,
O. T. Rozelle

FOSTER - STEARNS ENGAGEMENT ANNOUNCED

Mr and Mrs David S Foster of East Bethel announce the engagement of their daughter, Dorothy June, to Richard R Stearns, son of Mr and Mrs Roland Stearns of Rumford. Miss Foster graduated from Gould Academy in the class of 1955, and is employed at Birch Villa Inn in Bryant Pond. Mr Stearns graduated from Stephens High, Rumford, in the class of 1955, and is employed at the Oxford Paper Company, in Rumford. No date has been set for the wedding.

MRS. ETHEL P. BISBEE greets Harry T. Sawin of Farmington, formerly of Bethel, at the Ethel Bisbee Night festivity here last week. Mrs. Bisbee was honored by 600 of her friends at the William Bingham Gymnasium on the completion of her 40th year as teacher in the Bethel primary schools.

CEDRIC JUDKINS, CANDIDATE AS REPUBLICAN FOR REP. TO LEGISLATURE

Friends of Cedric A Judkins of Upton are pleased to learn of his candidacy for the Republican nomination as representative to legislature from this district. He has had much experience in town affairs, serving in nearly every town office and now serving his second term on the school committee.

A lifelong resident of Upton, he graduated from Gould Academy in 1910 and attended Gorham Normal School. He has taught school, worked as woods scaler and clerk, and was postmaster several years. Since November 1914 he has operated a general store. For many years he has been manager of the Androscoggin Lakes Tel. & Tel. Co. During this time he has been engaged in farming and at present has a herd of about 25 cattle.

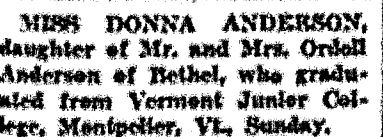

He was married in 1915 to Miss Jennie Sanborn of Weld and they have three sons and three daughters, all of whom have families of their own.

His varied experience in town, business, agricultural and public utility affairs is believed to give a good background as a representative in the legislature.

CHILDREN'S DAY PROGRAM AT CONGREGATIONAL CHURCH

At the Congregational Church a Children's Day program was held on Sunday, June 2. The children marched into the church and circled the congregation before seating. The following program was presented: Organ prelude; Processional hymn; Call to worship; Gregory Glines; Children's Day hymn; Sunday school; Responsive reading; Juddie Howe; Prayer; Jeff Hutchins; Choral Amen; Junior Choir; Offering, directed by George Epper; Doxology; Cradle Roll graduation; Mrs Charles Helms; Hymn; Jesus Loves Me; Special recognition by Dana Douglass Jr.; Anthem, Junior Choir; Presentation of Bibles; Theodore Emery; Hymn; Benediction; Charles Epper.

The Call to Worship Psalm and Prayer were written in the Church School by the third grade girls and boys. At the end of the service the children received potted marigolds and displaying their plants, marched out of the church.

MISS DONNA ANDERSON, daughter of Mr. and Mrs. Orville Anderson of Bethel, who graduated from Vermont Junior College, Montpelier, Vt., Sunday.

The Week in Oxford County

Two Oxford women, Mrs Ida Teague and Mrs Effie Towne, were honored at a testimonial dinner at the chapel in Oxford Saturday night. Mrs Teague recently retired as postmaster and Mrs Towne retired from the office of town clerk two years ago.

Sixty-six were graduated from Hebron Academy in exercises Saturday morning.

An office which will operate full time in the interest of the fund drive for the Stephens Memorial Hospital, Norway, is open at the site of construction. H Maine Sanborn is chairman of publicity and Mrs Adeline K Klein is secretary.

Three breaks on Route 26 are under investigation by the Sheriff's department. One was at the Zoo station, Bryant Pond, managed by Sherwin Buck, where oil was reported taken. A cash register and cigarette were reported taken from John McKen's fruit storage house in Paris. There was also a break at Bennett's Garage, Bethel, several days ago.

It is reported that J J Newberry Co. plans an enlargement of its store property in Norway. The expansion will probably take place in 1957. New England Furniture Co. is also understood to be planning the erection of a new building in Norway.

Mr and Mrs Abner Howard of Hartford recently celebrated their golden wedding. Open house was held in their honor at their home on June 3 from 2 to 8 p. m.

Work is progressing on the \$2,000,000 water line project undertaken by the Oxford Paper Co., Rumford. Water will be brought from Swift River to the new filter plant by a 30-inch cement pipe.

John Sargent has been confirmed by the Senate as postmaster at Fryeburg.

Graduation is approaching for the 26 enrolled members of the State Police Auxiliary training class which is being held at South Paris. The 15th session was held Tuesday night.

FIVE TOWN TEACHERS HOLD ANNUAL PICNIC

The Five Town Teachers met Monday evening at Hazel Wheeler's camp, "Chatterbox" for its annual picnic. After a pot luck supper was enjoyed, the business meeting was held.

The meeting was opened by the president, Miriam McAllister. The secretary's and treasurer's reports were read and accepted.

Thank you notes were read from Mary Jane Spinnay for her scholarship and from Ethel Bisbee for her electric mixer.

It was voted to help pay the expenses of two delegates to the Summer Conference at Presque Isle this summer. They are to be Miriam McAllister and Bernice Noyes.

Mr Christie received his certificate and pin from the NEA for his life membership which the club had pledged to buy for him.

Helene Varner was nominated as a delegate to the MTA Representative Assembly. Olive Larvey was appointed to handle the publicity for our nominee.

A report of the Oxford County Legislative Committee representatives was given by Olive Larvey and Mr Christie.

RENNETT - RING ENGAGEMENT ANNOUNCED

Mr and Mrs Lynn K Bennett announce the engagement of their daughter, Jane to Arthur Ring son of Mr and Mrs Linwood Ring of Bryant Pond.

Miss Bennett is a student at Gould Academy. Mr Ring is employed by the Stratton Company at Stratton.

No date has been set for the wedding.

BINGHAM FUND TO AID BOWDOIN STUDENTS

The Betterment Fund, created by the will of the late William Bingham, 2nd, of Bethel, has made a grant of \$1,000 to Bowdoin College. The grant will be used for scholarship purposes with preference given to candidates for admission to Bowdoin from the town of Bethel, from other towns in Oxford County, and from elsewhere in the State of Maine. The awards will be known as William Bingham, 2nd, Scholarships.

The Betterment Fund plans to make like grants to Bowdoin during the next three years, with the hope eventually of establishing at the College a principal fund, the income from which will be used to make the scholarship awards.

Mr. Bingham, who died in Miami Beach, Fla., on Feb. 17, 1935, was senior trustee of Gould Academy, which was one of the chief beneficiaries of his philanthropy. In 1932 Mr Bingham organized the Bingham Associates Fund, with which some 40 Maine hospitals are affiliated. Allied with Tufts Medical School, it has pioneered in regional medicine.

His gifts to the New England Center Hospital in Boston included funds to build the Joseph H Pratt Diagnostic Hospital and the Farnsworth Surgical Wing. Other generous gifts provided buildings, endowment, and scholarships in medicine both in this country and abroad.

Francis Berry and daughter Denise of Blue Hill arrived last week end at the home of Mr and Mrs Russell Graham. Denise remained for a time.

CARD OF THANKS

Very humbly I wish to express my heartfelt appreciation for the wonderful tribute paid me by the Bethel P. T. A. and my former pupils and friends on May 20th.

The friendship, love and cooperation of parents and pupils have made me very happy that I came to Bethel in 1910.

Thanks again for a wonderful evening and the very fine gifts.

Ethel P. Disbee

CARD OF THANKS

With deepest gratitude we extend this word of thanks for the many kind acts of sympathy expressed by thoughtful relatives, friends and neighbors, at the time of our bereavement. To Rev. Dwight McMahon and the Greenleaf funeral home our sincere appreciation.

Taking chances may be
part of growing up—

But when you're a man

IT'S KID STUFF!

This fellow takes chances. He's a crazy driver.

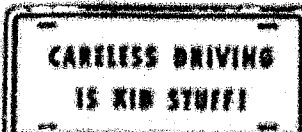

Why? For attention! So—people will know he's around. He thinks it makes him stand out. Same as when he was a kid.

If he only knew!

His friends have him pegged—"strictly juvenile." They have an expression—"Careless driving is kid stuff." That's him.

If he only knew. He'd wise up and drive right.

GOULD ACADEMY

In a game played on Alumni Field on Friday, June 1, the Gould Javees defeated the Mexico Javees by a score of 5-2.

Gould made it four straight and eight wins in the last eleven years in State Class M track competition held at Colby College, Waterville, last Saturday. The Academy had to keep scoring consistently to outdistance Winslow which was a strong competitor for first place in the class M fight. Gould's Melvin Jodrey turned in a win for the mile event even though he lost a shoe at the beginning of the third lap and ran the remaining distance without foot gear on one foot. Paul Stevens in the pole vault, Rodman Barlow in the javelin and James Murphy in the 440 were also first place winners. Following are results of the team scores: Gould 36½; Winslow 27½; Farmington 22½; Kennebunk 25; Bucksport 17; Rockland 18; Skowhegan 11; Belfast 9½; Scarborough 8; Lawrence 5½; Fryeburg 4; Houlton 4; John Baptist 3; Ft. Fairfield 2; Livermore Falls 1; Lisbon and Ellsworth failed to score.

Members of the Girls' Athletic Association accompanied by Miss Emily Tickell and Alberta Merrill enjoyed an outing at Hastings' camp on Umbagog Lake in Upton over the past week end.

Gould Academy will meet the Alumni Saturday in the final game of the season. The Huskies finished their schoolboy schedule with 4 wins and 3 defeats. Seniors who will be playing their last game for Gould will be Captain John Manner, Merle White, Joe Watson, Dave Willard and Robert Crane. The game is scheduled to start at 3 p. m.

SCHOOL NEWS

Grade 5—Mrs. Hastings

In geography we are studying our Western States in groups and giving reports. We are multiplying fractions in arithmetic. This week in our Let's Make Sure test. We all are studying hard. For art last Friday we went up on the playground and drew a picture of what we could see. We have had several film strips this week that will help us in geography and history. Reporters, Julia and Nancy Brown.

Grade 6—Mrs. Lord

Dickie Angeline has not missed a single day this year. Stanley Howe, Lawrence Davis, Beth Ann Brown, Mark Bennett and Juanita Childs have only missed one day. Our South America note books have to be in this week. Both sixth grades had a ball game Friday. Miss Varner's room won. Peter Davis made a South American map out of plywood which will go down to Bethel Library with the best notebooks. We are studying about birds. Some of us have seen scarlet tanagers, and other birds.

Grade 4—Mrs. Ring, Mrs. Ballard

Our grade had perfect attendance for two days last week. We are looking forward to our first picnic at Songo. We are finishing our Geography and Health books this week.

C. P. S. News

From the proceeds of the recent Park School Fair we have spent \$200 toward filling cabinets for each room and \$100 for books for the School Library. Recently we have bought 3 sets of filmstrips for \$75. We would like again to thank all the people of the town who helped in any way to make our fair a success.

JUNE IS DAIRY MONTH IN MAINE

June is Dairy Month, in Maine, and a huge team of people and organizations are pulling together to put dairy foods into the public spotlight for 30 days.

All segments of the Maine Dairy Industry, from the farmers who produce the milk to the truck drivers who deliver dairy products to store and doorsteps, are working together to make the public dairy foods-conscious.

Dairy Month is also a project for food outlets, restaurants, hotels, soda fountains and a host of other groups which are interested in expanding distribution of dairy products through normal channels of trade.

In addition to the people who manufacture, distribute and sell dairy products, June Dairy Month also has the support of government groups and nutritionists who are anxious to help increase the consumption of dairy foods to improve the diet of Maine citizens.

Sponsors of June Dairy Month, in Maine, are the Maine Dairy Council and the Maine Milk Committee in cooperation with all segments of the industry.

Let us feel the divine energy of Spirit, bringing us into newness of life and recognizing no mortal nor material power as able to destroy. —Mary Baker Eddy

Grade 6—Miss Varner

The cocoon that Allen Ring brought hatched out to be another Creeping Moth. Wayne Palmer has brought another cocoon that we hope will be a different kind. We have made some Science displays showing wood, brook, meadow, desert, swamp and back yard by putting materials from these plays on large tin trays. Science Booklets are to be passed in on Wednesday.

C. P. S. played its last game Monday with South Paris at West Bethel. South Paris won 10 to 3. David Salway for Bethel played a good game on third. Tommy Kimball also played a good game behind the plate for Bethel. The season record is 4 won, 1 lost.

Conservation Farming in Oxford County

By Douglas L. Hamilton
Oxford County Service

The Supervisors of the Oxford County Soil Conservation District are meeting today at the office in South Paris for their regular monthly meeting. There are several important items of business to discuss at this meeting. One item of business is the method of handling the tree planting machine. At the present time the planter is hired at the rate of \$300 per 1000 trees planted. The person using the planter must furnish the operator and power to haul the planter. A proposal being considered is to let the planter out with an operator and to charge about \$350 per 1000 trees planted. If this method were used the District would have to furnish a truck for the operator as the heavy tree planter weighs too much to be hauled behind a car. We feel that this will give more efficient use of the planter and improve the quality of the plantings. Maintenance on the planter is also an item of business. Higher prices may have to be charged for their use. Another important item of business is the question of the budget for the year. Budget expenses are running higher than expected and in order to be of more service to land owners in the County additional money will be needed to carry out the present program.

FARMERS SOCIAL SECURITY

All farmers who earn a net income of \$100 or more annually from self-employment are now subject to the self-employment tax for social security. Hired farm employees are covered by law if they earn \$100 or more in cash. Farmers on crop-sharing arrangements are considered as self-employed if the farmer's share depends upon the amount earned. But where a landowner pays the farmer a specified sum of money or amount of produce, the farmer will probably be considered as an employee, depending on whether he is under the landowner's direction and control.

MAGALLOWAY

Mrs. Basile Harvey, Cor.

Mr. and Mrs. Milton Cameron of Belmont, Mass., spent the week end with his parents, Mr. and Mrs. A. Donald Cameron of Wilson's Mills. Milton has just returned from Greenland where he went to inspect some part of the engineering at an army base there.

A Donald Cameron had a serious set back recently in his recovery from his illness last winter. All the rest of the sick people in this vicinity seem to be recovering nicely.

The Errol school finishes Friday the eighth. Carlisle Griffin of Wentworth Location is the valedictorian.

Both Wendell and Lauriston Bragg will finish their school year and be home this week. Wendell attends the University of Maine and Larry goes to Gould Academy.

Mr. Waugh of Berlin held the Baccalaureate Service at Errol last Sunday and afternoon service at Wilson's Mills. He brought an organist from Berlin with him, a senior from Berlin high school named Angus Locke, who is a very fine player.

A number of people have their gardens ready to plant but not many have them planted.

Victor Roderick had Malcolm Harvey's trucks hauling gravel for him Saturday. He is filling in and repairing his yard.

FINANCIAL ANALYSTS VIEW BROWN CO. HOLDINGS

There will be an open meeting on Monday, June 11, 8 p. m. at the Town Hall for all citizens of Gilead interested in the problems of conveyance of both elementary and secondary school pupils.

Twenty-four financial analysts from various sections of this country and Canada, flew to Berlin last week for a two-day inspection of New Hampshire's latest industrial expansion program, and a 300-mile trip through Maine woodlands to study pulpwood and sawlog cutting and hauling operations.

The group, all members of the National Federation of Financial Analysts Societies, observed various phases of the \$17,000,000 improvement and increased production program at present underway at Brown Company's pulp, paper and forest products mills in Berlin and in adjacent Gorham. They spent a day in northwestern Maine touring some of the more than 600,000 acres of timberlands in which Brown Company has ownership.

Greeted at Berlin airport by Chairman of the Board Laurence F. Whittemore, President A. E. Harold Fair, and other Brown Company officials, the group had a preview tour of the company's new \$3,500,000 kraft pulp bleaching, due to be completed next month. This plant will include a new method of manufacturing chlorine dioxide for bleaching, developed by Brown Company's technical director, Dr. George A. Day. The installation is the first of its kind on the North American continent.

The group also inspected other forest-products manufacturing operations of Brown Company.
